The flooring of the new postoffice is the federal building is being laid which means that the completion of the building is not far away. Two of the largest slabs of marble in the west have just been set at the end of the north corridor on the first floor. They feet 3 inches by 5 feet, and weigh 600 pounds apiece.

Now that there is no doubt as to the sale of the city's special water and sewer bond issue of \$1,000,000, the United States Mortgage & Trust company will proceed with the work of engraving the bonds. The company has requested City Recorder Critchlow to send a copy of his signature to be engraved on the bonds. Orders were received last evening

at Fort Douglas for F and L com-panies of the Twenty-minth infantry to be sent to the Strawberry valley for three menths, until after the Uintah reservation has been thrown open to the public. These officers will go: Captain John F. Madden, Lieuts, Saun-ders, Patterson and Huskell.

The Union school kindergarten children gave an interesting exhibition yesterday, to their friends, in illustration of the work accomplished during the year. Miss Vera Lane was assisted in the program by Miss Beatrice Erickthe program by Miss Beatrice Erick-son, and the efforts of the little ones showed a marked advance over pre-vious records. The children are from three to six years of age,

Miller were elected members of the program committee, Mr. Davis also being elected editor of the Castleman Gazette, with T. G. Wood and C. S. Gardiner as reporters.

The state board of equalization would like to stick a pin in the official chairs of the assessors of a number of counties in this state, to spur them up to a sense of their duty. According to law, all of the various boards of county assessors should have had their reports handed in to the state board of equalization June 1: whereas up to date, only these countries have obeyed the law: Cache, Carbon, Davis, Garafield Sall Lake Surpout, Tecche, Litak The semi-annual election of officers

the law: Cache, Carbon, Davis, Gar-field, Salt Lake, Summit, Tooele, Utah and Weber. Secy. Thomas says that this delay is causing considerable an-moyance to the state board.

A remarkable record in school attendance is that of Miss Lynn Knowl-ton, daughter of Mr. and Mrs. Eph Knowlton of Salt Lake, one of the graduates of the Lafayette school this spring. The young lady in nine years of schooling has never been tardy or absent—a record that will hardly be excelled. So great has been her devosickness nor pleasure has tempted her to break it. She is deservedly the recipient of many congratulations, and also of many beautiful gifts presented as tokens of remembrances of her exbetter than that of young Miss Hay-wood of the Washington school whose record is printed with her picture or another page of today's paper,

#### UTAH COMPLIMENTED. Prof. Stewart Asked to Speak on Manual Training Work.

A decided compliment to Utah is the request from the director of the elementary section of the National Educational association, which holds its annual convention at Asbury Park, N. J., in July, for Prof. William M. Stewart of the University training school to take part upon the program, addressing the convention on "Hand Work in the Grades," However, Prof. Stewart the Grades," However, Prof. Stewart will be so engaged at the time as to be Contractor P. J. Moran was as good as his word, and began this morning laying asphalt on east South Templa street. The new north track is better than the properties of the day by the Third to attend to attend, so he has delegated a tracher in the training school to take his place, and he will up to the convention prepared with a paper on the subject named. Prof. Stewart's inability to attend is due to the form to attend is due to the fact that the summer school will be in session at that time and it is imperative that he Utah doubtless arises from the splendid exhibit made at the world's fair, the excellence of which has evoked many inquiries from leading educators.

MONEY TO LOAN. WHEN YOU OWN A VACANT LOT and berrow money to build a house on it, you go in debt for the sum you have borrowed, and sometimes at the risk of losting your lot. We offer an opportunity, so there is positively no danger of losing your property. You may build a house on your lot, borrow the money from us, and we will agree to look to the rents derived from the house for our payments, asking no more, unless you desire to pay more, in this way the house soon pays for it, self, and the time will be short until you are receiving a good income from your improved property. Open Monday evenings. WHEN YOU OWN A VACANT LOT
